

Maritime Intelligence

Lloyd's List | i-law | Lloyd's List Intelligence: Data

The essential companion for maritime academics

Your finger on the global pulse

Lloyd's List

360° view of the shipping industry

We cover the full spectrum of the global shipping industry. Established nearly 300 years ago Lloyd's List gives you unparalleled analysis within the key areas of the maritime sector. As well as an online archive of maritime knowledge from the past decade.

i-law

Legal research in minutes, not hours

A vast online database of maritime and commercial law knowledge. i-law contains thousands of pages from many trusted legal sources. Sources that academics and companies rely on daily.

**Lloyd's List
Intelligence:
Made-to-
Measure Data**

Data tailored for your research

An extensive database dating back 30 years of vessel and fleet movements. We are the most trusted source of maritime data, enabling you to stay well informed for your own research projects.

Universities and other academic institutions use our in-depth analysis and advanced data tools to carry out research and share knowledge with their academic peers.

Our intelligence spans the whole maritime sector, and also includes insurance and areas of commercial law.

« **“For academic staff at the Centre, Lloyd's List is an indispensable tool for market information and analysis, which gives currency to our teaching and creates many opportunities for class discussion and debate.”** »

Case Business School, Professor in
Commodity Economics and Finance

« **“Few shipping publications are able to provide as up to date information on the industry as Lloyd's List. In the context of Maritime Education and Training, many a case study have been sourced from the excellent Casualty facility.”** »

Southampton Solent University,
Senior Lecturer for Maritime studies

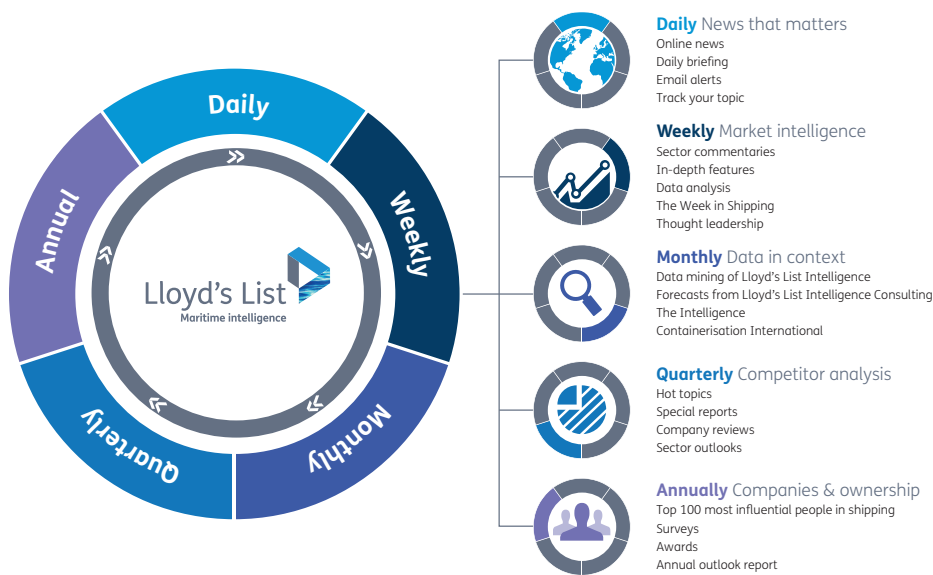

« **“Lloyd's List is current, reliable, informed, authoritative and trusted. Lloyd's List is typically the first source to access when conducting research on a new or unfamiliar topic; the archive is second to none and has not yet failed to offer useful information on any topic we have searched for.”** »

Plymouth University, Professor for
Maritime Logistics, Leader International
Shipping and Logistics Group

Lloyd's List

Lloyd's List is powered by independent and authoritative journalism and underpinned by in-house historical data and expert analysis.

Lloyd's List is uniquely placed to deliver data-led analysis and up to the minute news on changes in the markets. Our experienced editorial teams placed in key maritime hubs throughout the world are focused on ensuring you understand how industry changes effect the full maritime supply chain.

« “Lloyd's List is a highly valued resource for research by both students and academics due to its excellent coverage of both legal and economic matters within the shipping industry. The website validates its place as a useful research tool.” »

University of Southampton,
Research Fellow

What's included in a Lloyd's List Subscription:

- ▶ Everything on Lloyd'slist.com, including access to our online archive of information which dates back 10 years.
- ▶ Daily downloadable newspaper PDF – a roundup of the top stories and market trends.
- ▶ Personalised logins for each student and staff member with 'My View' enabling users to personalise content to their specific field of research.
- ▶ Mobile-friendly content means students can access Lloyd's List anytime and anywhere.
- ▶ Monthly supply and demand shipping data – Freight rates, charter rates, utilization levels on-board vessels, trade statistics, world fleet updates.
- ▶ Legal and regulatory news and analysis including a timeline of all maritime regulation from 1960's to 2025 and beyond.
- ▶ Multiple issues of our magazines: Lloyd's List Containers and The Intelligence (up to 10 copies for each issue).
- ▶ Access to an online directory of over 100,000 live vessels and 3,000 port characteristics.
- ▶ Top 100 performing ports annually – see TEU throughput increase/decrease and challenges faced by each port.
- ▶ Top 100 most influential people in shipping, classification, finance, offshore, insurance, law, ports & logistics and brokers (hardcopies available for library).
- ▶ Market forecasting, news & analysis for the technology, engineering, operations and financial markets.
- ▶ Container, Tanker and Dry Bulk market data.
- ▶ Account Manager to support all training and questions.

Available Data Fields

Fields are examples, rather than an exhaustive list. Please email niki.crompton@informa.com to discuss any data requirements that are not listed below.*

Category	Detail	Field Examples
Vessel Characteristics & Specifications	Vessel Identification	IMO number, vessel name, vessel flag, vessel type, year of build, DWT ...
	Vessel Dimensions	Length over all, draught, depth, freeboard, breadth extreme, KTM ...
	Vessel Design and Structure	Fuel capacity, Fuel consumption, Number of wing tanks, Bulkheads ...
	Vessel Capacities	Bale capacity, liquid capacity, ore capacity, TEU, Refrigerated TEU ...
	Tanker Specific Data	IMO rating I,II,III, tank coatings, pumps, heat exchangers, pressure max ...
	Additional Tonnage Data	Convention 69 indicator, displacement. Panama NRT, Suez NRT ...
	Hatches and Holds	Hatches / size, holds / size...
	Engines and Generators	Power of engine in kilo watts, HP, engine builder, engine designation ...
	Boilers	Number of boilers, pressure in bars, heating surface area sq. m ...
	Lifting Gear	Number of lifting gear, safe working load of the lifting gear ...
	Propellers	Propeller type, number of propellers of type ...
	Inmarsat Data	Inmarsat system identifier, contact number, answer back code ...
Fleet Development	Vessel Construction	Place of construction, building company, yard number, order date ...
	Vessel Completion	Construction end, launch date ...
	Vessel Removal	Date of loss (casualty), broken date, broken place, Light tonnes ...
Registration, Safety & Insurance	Vessel Name History	Current vessel name, list ex-names with start and end dates
	Vessel Flag History	Current vessel flag, list ex-flags with start and end dates
	Vessel Class History	Current vessel class, list ex-classes with start and end dates
	Vessel Survey Details	Type of survey e.g. SS – Special Survey, Date of survey
Tracking Vessels Globally	Fleet real-time observation.	Date/time of AIS position, Latitude, Longitude, Speed knots, heading ...
	Vessel voyage track plotting.	Stated Destination, AIS draught, type and cargo (AIS reports)
	Confirmed human intelligence reports.	Port arrival, departure, choke point transits, agent reported destinations
Vessel Ownership	Beneficial Owner	Company Name, Year formed
	Document of Compliance Owner	Start Date / End Date, Head Office , Subsidiary offices
	Commercial Operator	Director Name, Role
	Registered Owner	Address, Country, Post Code, Telephone, Email
	Technical Manager	Credit Rating, Company Trading Report
	Third Party Operator	Owned or Operated Fleet
	Nominal Owner	Casualties Arrests of Owned or Operated Fleet
Casualties, Arrests & Inspections	Casualties	Casualty Date, IMO#, Vessel Name, Flag, Lat, Lon, Cause, Pollution, Cargo

Our Maritime & Commercial subscription package for Academia

i-law is the premium digital collection of maritime and commercial law knowledge. It contains thousands of pages from many trusted legal sources. Students and educators can benefit from our case reports, journals and books including Lloyd's Law Reports dating back to 1919.

« “Practitioners and students alike would struggle to find a more comprehensive and up-to-date wealth of knowledge. i-law provides an incomparable package which helps cultivate an acute awareness of legal developments and latest academic debates.” »

Mathias Cheung, Barrister at Atkin Chambers

Interact with the definitive maritime & commercial law database

- ▶ Get access to all the key maritime & commercial judgments in one place
- ▶ Fully searchable and mobile friendly content
- ▶ Save time trawling through irrelevant information
- ▶ Selection of user tools, including alerts

Key: Online Email

Bi-weekly

Lloyd's Maritime Law Newsletter

Lloyd's Maritime Law Newsletter compiles succinct summaries of recent court decisions from around the world and provides details of selected London arbitrations through exclusive agreement with the London Maritime Arbitrators Association.

Lloyd's Law Reports

Over 18,000 law reports dating back to 1919 from the respected commercial courts of England and Wales. Our online service provides the deepest, and most structured case law database of maritime and commercial decisions in the world. From 2017, we include accelerated publication of decisions from the appellate courts and increased coverage.

Twice yearly

The Ratification of Maritime Conventions

Check which maritime conventions apply to your vessels in this comprehensive reference resource that details all international conventions and ratifying states.

High Frequency (typically weekly when courts are in session)

Lloyd's Law Reports Plus

To complement Lloyd's Law Reports, the Plus series provides exclusive access to verbatim court judgments and detailed headnotes months before they are available in print. It also offers specially selected online-only law reports which are exclusive to i-law.

Lloyd's Law Reporter

Weekly court reporting service of important new judgments. The Law Reporter service is available online and for email delivery, and includes "early headnotes" on the decisions handed down.

Monthly

Shipping & Trade Law

Shipping & Trade Law gives you more than just the news, it dissects cases and advises of their significance so you are kept informed of the factors affecting the rights and liabilities of the shipping and trade communities.

Maritime Risk International

Detailed coverage of legal, technical and insurance issues facing the shipping industry. MRI keeps you informed of the implications of key court decisions as well as providing in-depth analysis and expert advice on topical issues such as loss prevention, carriage of goods, salvage, ship security, pollution and maritime law.

Quarterly

Lloyd's Maritime and Commercial Law Quarterly

Stay abreast of maritime and commercial law developments with our comprehensive quarterly scholarly journal. LMCLQ is edited by distinguished Professor FD Rose.

Quarterly

Chinese Maritime and Commercial Law Reports

We've been providing legal professionals with maritime and commercial research support for decades. Now you can get full judgment translations of the most noteworthy decisions in Chinese shipping and commercial law from us. Selection and translation is carried out by distinguished maritime law experts, Editors-in-chief Professor Si Yu Zuo, and Philip Peng.

Please note that Chinese Maritime & Commercial Law Reports is only available by separate subscription, and is not included in the package collection.
